

## PRESS RELEASE

### The Very Best Town Map for Tunbridge Wells

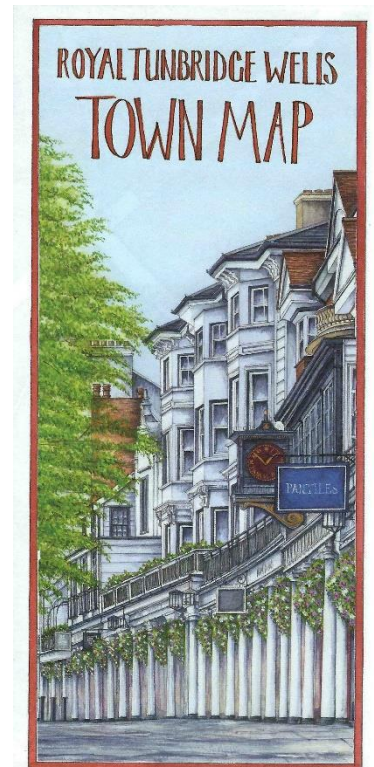

Royal Tunbridge Wells Together is delighted to reveal a new town map, hand-drawn by local artist Elaine Gill with graphic design by Jenny Heylin-Smith.

The map, which showcases the town's architecture and parks in stunning illustrations, also provides information on shopping and eating out, as well as a brief history of Royal Tunbridge Wells to enlighten visitors and residents alike.

Produced by Royal Tunbridge Wells Together and soon to be distributed to the train station and tourist information centre, as well as local businesses, the map will provide a talking point to promote tourism for the town in the coming months and is a great achievement for everyone involved in its production.

Karen Pengelly, Town Centre Manager, commented on the release of the map: "Tunbridge Wells is a beautiful town with many notable buildings, and it became apparent that we needed a unique and high-quality map that complemented the area; Elaine Gill has produced exactly that. This wonderful resource will hopefully help visitors explore and understand more about our lovely town."

Copies of the new map are available from various points in the town centre or from the Royal Tunbridge Wells Together office in Ely Court.
