## PRESS RELEASE

### Shouting Out Loud about Royal Tunbridge Wells

Royal Tunbridge Wells Together is pleased to announce that the first of many quarterly event listing guides for Royal Tunbridge Wells has now been distributed across the South East of the UK.

“Promoting the town and the events that take place was a key priority for businesses when they were consulted over the creation of a Business Improvement District, Karen Pengelly, the Town Centre Manager commented. “30,000 of these guides will be distributed, throughout the town centre, the rest of the borough and then across the wider South East region too. We all know how good our theatres, attractions and events are, this guide will help to open Royal Tunbridge Wells up to a much wider audience in the future. Building footfall and vibrancy is a priority for the BID”.

The guide also features extensive Hotel, Restaurant and pub listings to assist in promoting local businesses. Businesses wanting copies of the Event Listings Guide can request deliveries from Royal Tunbridge Wells Together, the next guides will be available in late July.
